MORE THAN JUST BECAUSE

Let's be honest.

Most of us buy a luxury sports car just because we can. The authority of a V12, the prestige of a European marque, the exhilaration of track days. They're good, but, you know...

Introducing the Tesla Model S.

Completely electric and 0 to 100 in a shade over 3 seconds. Combining Silicon Valley smarts and zero emissions with avant-garde luxury, we've now got a good reason.
